

## Rowan Class work for Tuesday 9<sup>th</sup> June 2026

Here are some suggested activities that you can complete:

- Spelling Shed
- Athletics
- Read
- Choose an activity from the homework menu to complete
- Make a mind map of all the ways that you and your family use water
- Turn your mind map into an information leaflet that shows how important water is to everyday life
- Try out some of your castle building ideas if you have any cardboard or other junk to use for modelling
