

All:

Log on to Mathletics <https://www.mathletics.com/uk/> and complete the tasks that have been set or any others you would like to do.

Create your own extraordinary garden. You could draw it or use junk modelling.

Do another challenge from the homework menu.

Create your own flower – draw, colour and label it.

Find your favourite book and reread it.

If you have a ball, practise your bowling from the cricket lesson yesterday. Teach someone else how to bowl.

Reception:

Make some grapheme cards and make some words. Be the teacher!

Draw a shape picture. What shapes can you use? What will you draw?

Year 1:

Go to this website <https://www.phonicsplay.co.uk/> and play Dragon's Den or Picnic on Pluto to practise sorting real and alien words.

Create or draw a habitat for an animal or insect. What will you draw? What does it need?
