Pros

Petersfield helps every child to understand the great world of learning even the ones that are unwilling. The children at Petersfield have a large field to play on, including an obstacle course, a triangular climbing frame, monkey bars and more!

Cons

There are not many cons about this school but there are some.

One in particular, is that we can't go on the field in the winter/early Spring time and we have to use the back

Playground.

Fun Topics

- Earth and Space (Yew yr 6)
- The Romans (Pine yr 3/4)
- Turrets and Towers (Elm yr 2/yr 1)
